## Magnets - Ferrite

Small ferrite magnets with good pulling strength.

These strong ferrite magnets can be used in hobbies or industrial applications.

Non listed sizes can be ordered with minimum quantities often as low as 100 pieces.

These are a basic magnet with unfinished edges.

The nature of this product is that the edges chip easily so please don't rely on parts having an esthetically pleasing edge finish.

### Magnets - Ferrite

Part Number	Shape	Size A x B x C mm <i>inches</i>	Magnetised Pos/Neg	Approx Max. Pull kg	Grade
MAG-CU-0100-0100-0100	Cube	10 x 10 x 10	Opposite Sides One Direction	8.5	C5
