MBA Size Listings are a guide to sizes only and must not be solely relied on for critical design information.

## INFORMATION

UNC - UNF - BA - METRIC.

Note! Thickness (H) and A/F (A) dimensions are usually considered not critical and may vary.

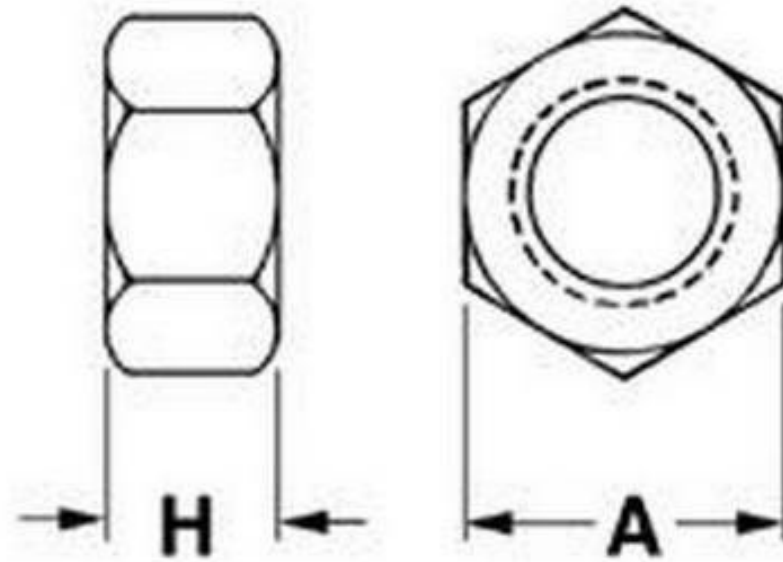

If the A and H dimensions are critical for your application please consult us prior to ordering.

Nuts marked as type SCALE have the same dimension across flats as the brass hex head screw of the same thread size.
